Congratulations to Nuan Keddie, who was runner up at the CWCLGA Championship, held at Jurien Bay on the 4th & 5th Aug. Nuan had to survive a play off on hole 9, four times which was nerve racking watching, never mind playing! The Lancelin Belles, Nuan Keddie, Anita Scaddan & June Gooch won the Gross Teams event, Lancelin ladies have won this event seven times which is a great achievement. Linda Temby came runner up on the Wednesday Stableford with close support from Rose O'Neill and Jenny Temby; well done girls! They also walked away with most of the raffle prizes; what a winning team.

On the home front, the numbers have been low the past month, which is mainly due to many players being away on holiday and some pretty foul weather of late. Not a lot of birdies being scored, they must have migrated. Some really good news is, that the Solar Panels have now been installed and on the windiest two days in July. Even under an overcast sky the panels were pumping out at a peak of 14Kw, this will have a very positive effect on the Sports Centre's power bills; well done to all those who persevered in seeing this project through to its completion. Opposite is a typical scene on the course recently; yes it does sometimes rain on the course. The Gain's have had their sailing holiday in Queensland and got bumped with the lockdown, by the time this goes to print they will have come out the other side of quarantine thankfully. Isn't it weird that today's youth are growing up in the present situation and will consider it as NORMAL. It's good to have a backup plan in life; today's is to get vaccinated and give yourself and friends an even chance of coming out the other side of this crazy situation alive! Stay safe everyone.

Congratulations to:
