The weather has been teasing us into thinking that summer has arrived, we have had such a wide range of conditions to play in from raging storms to balmy sunny days. It might not be time to put the long pants away yet, although our president doesn't seem to own any long pants, he's been in shorts for the last eighteen months.

The club has made two big purchases recently in the form of a cylinder mower and a spreader, which will both serve to improve the playing surface on the fairways. The only thing we as players must do now, is to try and keep our balls on the fairway and out of the rough. I sometimes think we should mow the rough and let the fairway grow, doh!

Preparations are well on the way for our Open Day event sponsored by the Coastal Courier is on the 19th September, the event was fully subscribed by the 9th September meaning that interested parties are added to a stand by list; unfortunate for the tardy but very good for the club that so many have shown early interest. Sunday 12th September is our 4th Club Championship Round, the results of which will feature in the October Coastal Courier.
