So many people deserving a big thank you. Our maintenance day on the 31st October was a roaring success; every green was cored, swept, verti-mowed in two directions, sanded and fertilised, within 4 hours; this was made possible by the twenty volunteers who turned up bursting with enthusiasm and a can do attitude. A big thanks to Rose, June and Nuan for keeping us all well fed and watered. Well done all those who volunteered, the condition of the greens will be vastly improved due to your efforts. Lancelin Sands also deserve a big thank you for making the effort to cart in the much needed sand to complete the job at short notice. Alan Harris deserves a huge thanks for donating fertiliser for the job and much more.

Thank you Kim and Jeremy Cook for donating two sets of junior clubs to the club, which means that the club now has four sets of junior clubs for members and friends of members to use, please book them out via the club secretary of president.

Three new members joined in the last month, which brings our membership up to 55 members. What a great club we have here in Lancelin where people are so generous with their time and effort and its great to see so many happy faces in the clubroom after a competition. The noise from enthusiastic conversation is almost deafening. If you want to keep your mind and body fit in a great environment, why don't you give us a call and come along for a hit or maybe just a walk; we look forward to welcoming you.

Congratulations to:
