Well, as expected the Christmas Windup at the Temby's went off with a bang, the place was packed to the gunnels with very happy people. Leon McDonald did a sterling job when he took over at the Pizza Oven; how he didn't fall into the toppings is a mystery. Johnny Abbott was plying as many as he could with his fantastic Martini Expressos, Yummy! A big thank you from the whole club goes to the Temby's for putting on this End of Season Soirée, was is fast becoming a tradition.

There will be many who are all glad to see the back of 2021, personally I think it was a good year for our club in general. We bought top of the range mowing equipment which has given us a better playing surface. There has been a great atmosphere and an elevation of teamwork and volunteering at the club.

Membership is now up to 57 members, as we welcome our newest member Louise Bilben who qualifies as a country member from Perth; she spends a great deal of time in Lancelin and recognises the benefits that our club provides. More than 90% of members had already renewed their 2022 membership before the first week in January was over, this is a testament of how conscientious and loyal our members are; well done all of you!

This is the time of year that we plan the calendar, seek sponsors and get ourselves in trim, or trimmer for the year ahead. To all you readers who want to play golf but think that you aren't good enough; you do not need to be good to have fun or have an enjoyable day in the outdoors. We are a friendly and welcoming bunch of fun seekers. Come and give it a crack; we look forward to seeing you.

Congratulations to:
